

	Level One	
	Beige Earth Enchantment Instinctive, survivalist, automatic reaction to the environment, animalistic, body wisdom. The human being as simply another component of the external natural world. No self-consciousness. On this level of reality, we are embedded in the intelligence of nature, which is still an unfathomable mystery for us today.	External Emphasis
	Purple Moon Enchantment Internal environment awakens. Magical, tribal, mythic, storytelling, ancestors, rituals, inner child, innocence, Earth Goddess. Bicameral mind, possibly utilizing the right brain as an open door through which nature speaks via the agency of humanity. On this level of reality, we are embedded in the experience of Universal mystery.	Internal Emphasis
	Red Mars Enchantment External awakening. Competing for supremacy, heroic principle, ego-driven instant gratification, life as a jungle, power through threat. Modern world: life on the streets. Sporting instincts, competition and extreme sports adventure. On this level of reality, we are striving to create a 'self', to separate from existence.	External Emphasis
	Blue Saturn Enchantment Foundation of civilization, internal conscience, collective rules, social morality, structure, laws. Recorded history, which interprets and veils that which preceded it. The linear mind awakens; principles of absolute right and wrong, goodness, reward/punishment, work ethic; religion, guilt, order, authority, class, knowing one's place, fixed gender roles, upright citizens.	Internal Emphasis
	Orange Uranus Enchantment External marketplace, present social climate, media view, celebrity and corporate culture, status aware, opportunity and materially orientated, external appearances. Belief in supremacy of science, the winning way. Excitement, progress, cult of the individual, fun, detachment from guilt. On this level of reality, humanity has created the consensus world, seemingly separate from nature.	External Emphasis
	Green Neptune Enchantment Internal emphasis. Feeling-based reality; intuitive, ideological, ecological; vegetarianism; alternative worldviews; seeks agreement, co-operative; spiritual mindsets; equalizing, especially racially and sexually; non-hierarchical; anti-authority, but sensitive to peer-led ideals; searching for authenticity; experimentally spiritual.	Internal Emphasis
	Level Two	
	Yellow Pluto Enchantment Interdependent; responsive, questioning; intuitive, open scientific methodology; species motivated; not attached to outcomes, spontaneous and systemic. Freedom, clarity and relevance put before status, money, ideology or approval. Appreciates diversity of opinion. The polychronic attention of younger generations, e.g. simultaneously enjoying computers, interpersonal relating, listening to music and messaging.	External Emphasis
	Turquoise Chiron Enchantment Awakening of a new consciousness that integrates human technological civilization with mysticism and primal magic, resulting in an ineffable global consciousness. Developed clear intuition able to perceive complex unified structures. Merging of inner and outer realities. The Earth's Holosphere. Early expressions of this level include the concept of the Noosphere, the aesthetic union of science and religion.	Internal Emphasis
	Coral Pholus Enchantment The questioning and re-appraisal of the whole context of reality (human beings, nature, time and space). Redefining spirituality/materialism, organic/inorganic, human/alien designations. Very early signs of this consciousness include the 'create your reality' meme, virtuality, game culture, genetics, robotics, nanotechnology, longevity. The reality of game-playing learner gods in an edgy mutable environment.	External Emphasis
